IN TOUCH WITH THE HEART

THE WHITE EAGLE LODGE
HEART OF ENGLAND REGIONAL STAR CENTRE

NEWSLETTER NUMBER 27
SPRING 2024

Dear Friend,

How wonderful it is to have these longer, brighter days laced with daffodils and pink blossom. It is amazing how Spring seems to lift the heart. I hope it does yours!

The Regions have been asked by the Lodge to look into the possibility of increasing the membership of the Lodge following the decline in numbers, particularly since the covid pandemic. It is known that there is a great need for the Teachings of White Eagle in the Birmingham area, so it seems logical that we should attempt to extend our energy towards making them known in that densely populated region. The Fircone Centre in Hall Green is a community centre previously used by White Eagle groups, so we thought it would be a good idea to hold one or two meetings there, in order to establish interest whilst maintaining our contacts in the Warwick area.

We feel especially delighted, therefore, to welcome to the Midlands, Jason Wilson, Chair of Trustees of the Lodge, who has agreed to be our Spring Visiting Speaker.

And now, some more wisdom from White Eagle:

**“...at this time of the festival of the arisen sun, let us all make a supreme effort to open our hearts to God, the great Sun of all life, and reflect its light into the hearts of all people. So may we become sisters and brothers to all life, simple gentle and true, so that if God wills He may use any one of us to comfort, inspire and heal our fellows”
(The Way of the Sun)**

Below is a photograph of the Temple of Light at New Lands, taken recently by Sandra when she attended the Contact Healers' Training Course. The dedicated team of gardening volunteers had just been at work tidying the long grasses which frame the front of the building, with the daffodils bringing the first glimpse of colour and sunshine.

With our united love,

Pam and Sandra
