

## NORTHERN IRELAND NEWSLETTER, SUMMER 2024

23 Victoria Road, Holywood BT18 9BA

### ***Dear Friends***

Time seems to be passing ever faster and the challenges affecting us as a species seem to be getting harder to solve with individuals and even countries pursuing self-interest.

White Eagle assures us in many of his teachings not to lose heart, to see in our hearts and minds a future where all men and women will live together as equals in a brotherhood of all life.

It may not happen in this lifetime but we can do the ground work now that will bring it about.

That is where our healing services on Saturday mornings come in. By joining together under the Christ Star and collectively radiating the vibration of love and healing to people, animals and mother earth with other like-minded people, we are raising the vibration of the whole earth and dissolving the energy of depression and fear which plague so many.

We are therefore starting our new Summer session at the Quaker Meeting House, off the Lisburn in Belfast, on ***Saturday 11 May***.
