

Using this Healing Attunement Card

The pictures on the front of this card show a range of animals free to exhibit natural behaviours. However, many animals on the planet face a difficult existence as a result of illness or ill-treatment.

We suggest choosing any animals or group of animals you know, which are in need of help or healing. Focusing daily (if possible) for about 10 minutes, on sending healing to them. Do this for perhaps a fortnight. After your chosen length of time you can decide whether you wish to change to a different group of animals.

It is partly the steadiness of your work which makes it effective.

ANIMAL HEALING

*Preparation
for
service*

Give yourself a few minutes in preparation,
relaxing your thoughts, relaxing your body

Let yourself be in the quiet, steady place
of your heart

Let yourself be in God's time, the angels' time.

There visualise the Star of Love,
of Light and Healing

In the Star your thoughts for good draw the
help of the angels.

*The
Healing
service*

I see all animals enfolded
in the magical Light of the Star.

I seek to work in harmony with the angels who
care for the animal kingdom.

Today I pray especially for . . .
(name any animal or group of animals)

I pray that the Light of the Star
will awaken greater compassion and
understanding of the brotherhood of all life
in the hearts and minds of human beings,
as they walk on Mother earth
and with her creatures.

May God's blessing be upon this work.
