

Preparation for Service

Give yourself a few minutes in preparation,
relaxing your thoughts,
relaxing your body.

Let yourself be
in the quiet, steady place of your heart.

Let yourself be in God's time,
the angels' time.

There visualise the Star of Love,
of Light and Healing.

In the Star your thoughts for good
draw the help of the angels.

The Healing Service

I seek to work in harmony with the angels
of the Star to bring healing to our planet.

I see the whole Earth enfolded in the magical
healing light of the shining six-pointed Star.

I see the light of the Star shining into

THE EARTH'S SOIL, HER PLANTS AND TREES
AND THE LIFE THEY SUPPORT.

HER STREAMS, RIVERS AND OCEANS.

HER ATMOSPHERE.

and into THE HEARTS OF HUMANKIND
AS THEY WALK ON MOTHER EARTH.

I hold in my heart and prayers the vision of
planet earth cleansed, healed and in balance.

May God's blessing be upon this work.
